

SUMMARY OF COMMUNITY DESIGN COMMISSION ACTION

Subject: Draft Bicycle and Pedestrian Action Plan

Meeting Date: September 18, 2004

Recommendation: That the Town Council proceed with implementation of the Draft Bicycle and Pedestrian Action Plan.

Some Commission member recommended that the Council also considers the following bicycle and pedestrian improvements:

- Provided greater opportunities for pedestrian and bicycle accessibility to the community's elementary and middle schools.
- Improve directional and informational signage for the Town's bikeway network.
- Investigate an alternative to the proposed path improvements in Battle Branch including a bicycle path running adjacent to the north edge of East Franklin Street.
