**SUMMARY OF BICYCLE AND PEDESTRIAN  
ADVISORY BOARD ACTION**

**Subject:** Traffic Issues on Cameron Avenue

**Meeting Date:** October 26, 2004

**Recommendation:** The Bicycle and Pedestrian Advisory Board recommends approval of Option E as set out in the memorandum from the Director of Engineering dated October 12, 2004.

**Vote:** 6 – 1

**Aye:** Jed Dube (Chair), Kate Millard, Nick Lurie, Alice Neebe, Tim Saunders and Brian Decker

**Nay:** Heidi Perry

Heidi Perry dissented stating a preference for the original Bicycle and Pedestrian Board recommendation of February 25, 2003, for striped bicycle lanes 7:00 a.m. to 7:00 p.m. Monday through Friday which allowed for parking at night as that had not been considered to be a problem.

**Comments:**

The Board requests that the Town consider providing regular street cleaning on the south side of the street to prevent leaves and debris from collecting in the proposed bike lane.
