

SUMMARY OF PLANNING BOARD ACTION

Subject: 2003 Mobility Report Card

Meeting Date: October 19, 2004

Recommendation: The Planning Board recommends the Council adopt the 2003 Mobility Report Card with the following comments:

- The Board commends the consultant for a useful and helpful report.
- The Board believes the graphics should be offered in gray tones for better resolution when copied.
- The Board would like to see safety factored into the report by adding maps showing the location of accidents and injuries.
