**RE: PROPOSED ON-STREET PARKING REGULATIONS FOR NORTH STREET BETWEEN HILLSBOROUGH STREET AND BOUNDARY STREET**

Dear Resident:

In response to a request from a neighborhood resident, the Town was asked to evaluate the current on-street parking conditions along North Street between Hillsborough Street and Boundary Street. Under current parking regulations, vehicles are permitted to park by residential permit only on the south side of the street between the hours of 9:00am to 4:00pm, Monday-Friday. On-street parking is prohibited at all times on north side of the street.

The complaint is that students and visitors of the University are parking their cars on North Street between the hours of 4:00 pm and 6:00 pm thus eliminating parking for the residents upon their return from the work. The request is to permit the parking by residential permit on south side anytime from Monday through Friday. No changes to north side of the street proposed.

As a part of our evaluation, we would like to know your opinion about the proposed change.

Please fill out the survey below and return it to us in the attached envelope by March 28, 2005.
