**RE: PROPOSED ON-STREET PARKING REGULATIONS FOR NUTTREE LANE**

Dear Resident:

In response to a request from a neighborhood resident, the Town was asked to evaluate the current on-street parking conditions along Nuttree Lane. Under the existing conditions, vehicles are permitted to park on the north side of the street and parking is prohibited at all times on south side of the street.

The complaint is that cars parking on north side of the street reduce the available width of the travel lanes and restrict sight distance at some driveways. The request is to prohibit on-street parking at all times on the north side of Nuttree Lane.

As a part of our evaluation, we would like to know your opinion about the proposed change.

Please fill out the survey below and return it to us in the attached envelope by April 5, 2005.

\_\_\_\_\_ **Yes, I support prohibiting on-street parking on north side of entire length of Nuttree Lane.**

\_\_\_\_\_ **Yes, I support prohibiting on-street parking on north side of Nuttree Lane between Cobble Ridge Drive and Brannon Court.**

\_\_\_\_\_ **No, I do not support the proposed change in on- street parking regulations for Nuttree Lane.**
