**EXEMPTION FORM  
ENGINEERING DEPARTMENT**

Request for exemption received from: Capkov Ventures, Inc., Eric B. Chopp, P.O. Box 16815, Chapel Hill, NC 27516. Ph: (919)260-7262

Date: February 18, 2005

Type of exemption requested: TRAFFIC IMPACT ANALYSIS (TIA)

Type of justification submitted: a) Written Request with Trip Analysis  
b) Existing and Proposed Site Plans

Key reasons why we support this exemption:

- a) Meets the Town TIA Guidelines for an Exemption.
- b) The proposed SUP modification to Franklin Grove Apartments does not create number of trips because the modification is to increase the floor area of 30,000 square feet to accommodate the attic space for storage or as additional living space. No increase in number of units proposed.
- c) A Traffic Impact Analysis was prepared for the original Franklin Grove Apartments with 51 units.

Based upon the attached request for exemption and supporting information, we recommend that the Town Manager approve an exemption for:
