

AGENDA #3a(2)

May 16<sup>th</sup>, 2005

To Whom It May Concern:

The following business owners and businesses on East Franklin Street would like to be able to use sandwich boards in the same way that all of the businesses on Franklin Street Downtown and Outer Franklin Street now have permission to do. Nothing will be placed on the sidewalk or between the sidewalk and the street, but rather on the business' side of the sidewalk.
