MEMORANDUM

ATTACHMENT 4

TO: Mayor and Town Council

FROM: Greenways Commission  
Peter Calingaert, Chair *WPC PC*

SUBJECT: Northside Mobility Report

DATE: March 23, 2005

The Commission noted that the report does not adequately address the current Tanyard Branch Trail. In addition, the Commission noted that the study area of the proposed phase 3 Bolin Creek Trail project could bring a major paved trail connection to the Northside neighborhood.
