RE: Use of PARTF (Parks and Recreation Trust Fund) Grant for Southern Community Park Development

DATE: June 14, 2005

At the June 13, 2005 meeting of the Parks and Recreation Commission, the Commission voted unanimously (8-0) to recommend that the Council revise the adopted phasing plan for Southern Community Park to include in priority order: lighting for the athletic fields, in-line hockey facilities, and, if funding allows, two outdoor basketball courts. If funding is not sufficient to fund all 3 of these components, the Commission believes the first two should be funded and any remaining PARTF funds directed to play area enhancements.

The Commission appreciates the opportunity to review and make recommendations regarding development of Southern Community Park.
