Re: Parking Meters on Cameron Avenue - Certificate of Appropriateness

Dear Mr. Neppalli:

At its May 12, 2005 meeting, the Chapel Hill Historic District Commission denied your application for a Certificate of Appropriateness for installation of new parking meters on the north side of Cameron Avenue between Pittsboro Street and Graham Street.

The Historic District Commission based its action on plans submitted with the application dated April 25, 2005, discussion, and material presented at the meeting.

If you have any questions, please call me at 968-2728.

Sincerely

Kay Pearlstein, AICP
