MEMORANDUM

TO: Mayor and Town Council

FROM: Parks and Recreation Commission  
Pam Hemminger, Chair *WRW on PH*

SUBJECT: Recommendations for Proposed Land Use Management Ordinance Text Amendments

DATE: August 18, 2005

The Commission voted unanimously (7-0) to support the staff recommendations related to two proposed changes to the LUMO.

The Commission supports the proposal to eliminate language referencing "front line" setbacks in order to correct an error in the LUMO.

The Commission also supported the proposed change to the method for calculating payment in lieu for recreation area in subdivisions. We believe that this change would simplify the process and make it easier to use for both the Town and developers.
