

## MEMORANDUM

TO: Mayor and Town Council

FROM: Terry Blalock, Chair, Parks and Recreation Commission *BLW on TB*

SUBJECT: Development Application: Homestead Park Aquatics Center

DATE: October 24, 2005

The Commission voted unanimously (7-0) to recommend that the Council approve the Special Use Permit modification for the aquatics center. The Commission supports Resolution A as recommended by the Planning Department.

The Commission also alerted the applicant to potential glare through the windows on the east side of the building. This can be a particular problem for lap swimmers in the early morning hours. The consultant indicated he will pay special attention to this when selecting materials for the windows on this side of the structure.
