

University of North Carolina at Chapel Hill
and the UNC Health Care System
**Presentation to the Town Council on the
Draft Development Ordinance**

June 3, 2002

Good evening, Mayor Foy and members of Council. I am Linda Convissor, Coordinator of Local Relations at the University of North Carolina. I am here tonight to speak on behalf of the University and the UNC Health Care System.

We appreciate the effortsof the Council on the careful, thorough and inclusive process you have undertaken in assessing the second draft of the new Development Ordinance. Representatives of the University and the Health Care System have participated in the process, including the excellent workshops, and we appreciate the opportunity to do so. The periodic email updates that Roger Waldon and the Planning Department staff have provided have been extremely helpful in following this complex effort. We look forward to the next draft of the Ordinance, and will continue to participate in the ongoing process.

Thank you.
