Dear Kevin:

Thank you for your letter of June 28, 2002, about neighbors concerns for our new Facilities and Maintenance Complex.

I am available to discuss the project with you at any time. As well, my staff is working to improve the project concept based upon citizen comments. They are also currently working to schedule meeting(s) with neighbors before we formally submit the SUP application. I believe it would be helpful to have someone from your staff available to attend those meetings.

We look forward to developing a workable project for this important facility.  
Thanks in advance.

Sincerely,

James C. Moeser
