

SUMMARY OF HISTORIC DISTRICT COMMISSION ACTION

Subject: Chapel Hill Code of Ordinances and Development Ordinance – Text Amendment for Signs Posted on Utility Poles

Meeting Date: October 10, 2002

Recommendation: That the Council approve Resolution A directing no change to the Town Code or the Development Ordinance regarding signs posted on utility poles.

Vote: 6 - 0

Aye: Chris Belcher, Terry Swanson, Branson Hobbs, Kimberly Kyser, Jim White, and Rex McCall

Nay:

Issues Raised: In consideration of the existing downtown kiosks, the new kiosks planned, and the community bulletin board inside the Post Office and other boards around town, the Commission felt there was no need to change the current regulations. The Commission felt the existing facilities provide the opportunity for free speech and marketing by local citizens and businesses.
