

**SUMMARY OF BICYCLE AND PEDESTRIAN  
ADVISORY BOARD ACTION**

**Subject:** Sidewalk and Bicycle Facilities Construction Plan for 2002-03

**Meeting Date:** September 24, 2002

**Recommendation:** The Bicycle and Pedestrian Advisory Board recommends that the Council approve the Sidewalk and Bicycle Facilities Construction Plan for 2002-03 with the following additions:

- That the Council approve the eleven projects (consisting of projects ranked 1-3) at the top of the sidewalk priority list for funding, as funding is available. The Board noted that the top eleven projects should be weighted equally as feasibility criteria are evaluated.
- That the Town pursue Direct Allocation funding for the Airport Road project.
