## SUMMARY OF TRANSPORTATION BOARD ACTION

**Subject:** 2004-2010 Draft Metropolitan Transportation Improvement Program

**Meeting Date:** January 7, 2003

**Recommendation:** The Transportation Board voted 6-0 to recommend the following comments to the Chapel Hill Town Council:

- The Board is concerned about the lack of funding proposed for Orange County compared to funding to other counties in Division 7. The Board suggested that Orange County seek a greater proportion of transportation funding.
- The Board noted that Chapel Hill Transit requires additional funding for the purchase of buses and construction of the new bus maintenance facility.
- The Board recommends continued support for the projects currently programmed in the TIP, including construction funding for the Estes Drive Extension pedestrian and bicycle facility project.
