TO: Mayor and Town Council

FROM: Parks and Recreation Commission
Andrea Rohrbacher, Chair *Bu Bu AR*

SUBJECT: Transportation Improvements Program

DATE: January 15, 2003

On January 15, 2003 the Parks and Recreation Commission voted (9-0) to recommend that the Council seek some funding for a greenway project through the TIP. The Commission notes that a primary recommendation of the newly adopted Parks and Recreation Master Plan was the construction of 6-7 miles of greenway trails by the year 2011. It was further noted that a funding source for that work has not been identified and that funds secured through the TIP would likely be crucial if the goal is to be met.

Voting yes were: Andrea Rohrbacher, Chair; Pam Hemminger; Vice-Chair; Bob Broad; Terry Blalock; Paul A. Caldwell; Mary Norwood-Jones; Pete Schwartz; Terri Tyson; and Diane VandenBroek.
