

SUMMARY OF HISTORIC DISTRICT COMMISSION ACTION

Subject: 2003-18 Capital Improvements Program

Meeting Date: January 9, 2003

Recommendation: The Commission makes the following comments regarding the Capital Improvements Program:

Infrastructure:

- continuing maintenance of Chapel Hill gravel and upgrading of sidewalks in the Historic Districts;
- Improve pedestrian level lighting which would be compatible with the character of the historic districts ;
- Investigate underground utilities;
- Installation of Historic District street signs. Recommend using street poles congruous with the Historic District;
- Continued work on the Chapel Hill Cemetary.

Town Facilities:

- Continued support of the Chapel Hill Museum.

Communications & Technology:

- Develop website for Historic District Commission.
