

**Notice of Public Hearing
for
National Pollutant Discharge Elimination System (NPDES Phase 2)
Permit Application**

**Town of Chapel Hill
306 N. Columbia St.
Chapel Hill, NC 27516
7:00 PM
Wednesday, January 22, 2003**

In accordance with requirements of the federal Clean Water Act, the Town of Chapel Hill must submit an application for a National Pollutant Discharge Elimination System (NPDES) Phase 2 permit to the North Carolina Department of Environment and Natural Resources, Division of Water Quality, by March 10, 2003.

The Chapel Hill Town Council has scheduled this Public Hearing in the Council Meeting Room at Town Hall to receive comments and questions regarding the draft NPDES-II Permit Application document. The permit application proposes means and methods for the Town to meet its obligations and responsibilities with regard to compliance with the NPDES-II regulations. Citizens are encouraged to review the permit application and to provide comments to the Town.

The draft document will be available for review in the Town Engineering Department and on the Town website beginning January 17, 2003.

The Town will also receive written comments and questions until 5:00 pm, Friday, January 24. Comments and questions can be mailed to: Mr. Fred Royal, Stormwater Management Engineer, c/o Engineering Department, 306 N. Columbia St, Chapel Hill, NC 27516. Comments and questions can be emailed to Mr. Royal at fredr@townofchapelhill.org. Upon receipt and evaluation of all comments and questions, the final permit application document is scheduled for Council review and approval at its regular meeting on February 10, 2003.
