Mayor and Town Council
Chapel Hill, NC

Dear Mayor Foy and Council Members:

I am writing to express my strong desire that Brookstone Drive be used only as an emergency entrance/exit for Chapel Ridge.

I have lived at Brookstone Apartments for three years, and I have really enjoyed the beauty, the safety, the peace and quiet. I am disturbed by the plan to use Brookstone Drive as the entrance/exit for Chapel Ridge. This would create a lot of traffic through Brookstone and would almost certainly change the kind of community that it currently is. I believe that the majority of Chapel Ridge residents would be respectful neighbors. It would only take a very small number to endanger children with excessive speed or to disturb the peace with loud music from automobiles. I really do not want to see that happen.

I am not a home owner, but I value my home a lot. I would ask that you generate other ideas and come up with a plan that would not harm any Chapel Hill community the way that this plan would very likely harm this one.

Thank you.

Sincerely,

Nancy Jeannechild
