Mayor and Town Council
Chapel Hill, NC

Dear Mayor Foy and Town Council,

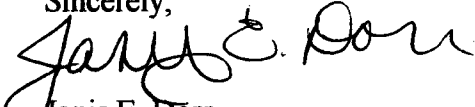

I am writing to express my concern regarding the plans to use Brookstone Drive as an entryway to Chapel Ridge.

I have lived in the Brookstone apartment complex for three years. I have been grateful to have my home in such a quiet, safe, and private location. I deeply value the peace I have experienced here.

The presence and noise of traffic running through the complex will completely change the experience of living here. It certainly will no longer be quiet and private. Please don't let that happen.

Northfield could be opened without affecting anyone's home. Another road could be built that would not run through anyone's community. Brookstone Drive could be used only for emergency access to Chapel Ridge.

Sincerely,

Janis E. Dorr
