Subject: Petition for Town Council to assess Rosemary St.

Mr. Mayor,

As you know, I currently sit on the Board of the Chapel Hill Downtown Commission. I also Chair the Services to Property Owners committee, which is a new committee formed by the DTC this year. My committee represents the over 70 property owners in Downtown Chapel Hill. Our intent is to serve as a collective voice for those owners and to make certain that they stay informed and involved. On behalf of the Services to Property Owners committee I would like to petition the Town Council to assess the "streetscape" along Rosemary Street from Henderson Street to the Carrboro town line. We feel as though Rosemary Street is sometimes overlooked, unjustifiably. Therefore, we would like for the town to assess the lighting, sidewalks, landscaping plan, etc along this major part of our downtown. Thank you in advance for your cooperation. I look forward to hearing from you and the Council soon.

Best regards,
Niko J. Paliouras
Chair, Services to Property Owners Comm.
