#190
1

THE BOARD OF ALDERMEN OF THE TOWN OF CHAPEL HILL DO ENACT:

That no person having had infantile paralysis shall be permitted to enter the Town of Chapel Hill until three months after such person shall have been pronounced fully recovered from said disease by a duly licensed physician.

(2) That no child under eighteen years of age, having been exposed to infantile paralysis, shall be permitted to enter the Town of Chapel Hill until three weeks after such exposure.

(3) That no adult, having been exposed to infantile paralysis, shall be permitted to enter the Town of Chapel Hill until two weeks after such exposure.

(4) That no person under eighteen years of age coming from the infected districts of the States of New York and New Jersey, shall be permitted to enter the Town of Chapel Hill, without first filing with the Town Health Officer a certificate from the proper health officer of the place from which such person came, that such person is free of infection.

(5) That all persons under eighteen years of age coming into Chapel Hill from districts North of Washington, D.C., shall be quarantined on their premises for a period of two weeks from the time of their arrival at Chapel Hill.

(6) That all persons under eighteen years of age who have been exposed to infantile paralysis shall be quarantined for a period of three weeks from the time of such exposure.

(7) That all adults having been exposed to infantile paralysis shall be quarantined for a period of two weeks from the time of such exposure.

(8) That the Mayor, or the Health Officer, shall have power to declare such quarantine operative, in all such cases.

(9) That any person violating any of the provisions of this ordinance shall be subject to a fine of $50.00

O.B. Griffin, Clerk
W.S. Robinson, Mayor
