6 December 1923

There was a meeting of the Board of Aldermen of the Town of Chapel Hill at 6:45 P.M., Mayor Roberson presiding.

The Aldermen present were Messers. R.P. Andrews, G.M. Braune, D.D. Carroll and J.M. Cheek.

The Town Business Manager stated that in accordance with instructions from the Board, he had taken up with the American-LaFrance Fire Engine Co. the charge of \$710.51 for repairs to the fire truck on December 3, 1921. The Town Business Manager felt that these repairs were made necessary by improper instructions received from the Delivering Engineer of the American-LaFrance Co. The American-LaFrance Co. neither denied nor accepted our contention but made the following proposition:- first, deduct from the \$710.51 for parts returned \$150.00; second, waive all interest charges; third, Town of Chapel Hill pay one-half the balance due in liquidation of the entire debt. Thus:

December 3, 1921	\$710.51
Less parts returned	150.00
	560.51

One-half \$280.26

A motion was made by Alderman R.P. Andrews and seconded by Alderman J.M. Cheek that the sum of \$280.26 be paid to the American-LaFrance Fire Engine Co. in liquidation of this debt; the aldermen present voting as follows:

"Yes" - R.P. Andrews, G.M. Braune, J.M. Cheek
"No" - D.D. Carroll

The Mayor ruled the motion as passed and instructed the Town Business Manager to make this payment.

Alderman G.M. Braune, Chairman of the Street and Tree Committee made a report on the situation caused by grading the lot owned by the Delta Kappa Epsilon Fraternity at the corner of Columbia Street and Cameron Avenue. The Tree Committee recommended that a permanent grade be established for the sidewalk on Cameron Avenue, that the necessary grading be done, and the sidewalk curved so as to allow the elm tree at the corner to remain standing. PROVIDED THAT the Delta Kappa Epsilon Fraternity will do the grading, put in a permanent sidewalk, and plant new trees along the sidewalk at their own expense. Upon motion of Alderman R.P. Andrews, seconded by Alderman J.M. Cheek, duly passed the foregoing report was accepted and the Town Business Manager was instructed to take this matter up with the representatives of the Delta Kappa Epsilon Fraternity and get a written agreement from them that they would make said improvements at their expense.

Attorney Carl Weigand appeared before the Board requesting permission to have one or two vaudeville acts in connection with the moving picture show operated by Henry Guthrie. Upon motion made, seconded and duly passed the following resolution was adopted:

BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE TOWN OF CHAPEL HILL:

Whereas, the moving picture show operated by Henry Guthrie is already under suspicion of being conducted improperly and a menace to public morals. And Whereas, even now the Board of Aldermen is on the verge of declaring said place a nuisance and ordering the license to be revoked;
