24 March 1924

There was a meeting of the Board of Aldermen of the Town of Chapel Hill at 12 noon, Mayor Roberson presiding.

The aldermen present were Messers. R.P.Andrews, G.M.Braune, D.D.Carroll and J.M.Cheek.

The question of allowing the BANK OF CHAPEL HILL TO ENCROACH UPON THE SIDEWALK WITH THE DECORATIVE FEATURES OF THEIR BUILDING was brought up for discussion by Alderman D.D.Carroll. Upon motion of Alderman R.P.Andrews seconded by Alderman G.M.Braune the following resolution was duly passed, all the Aldermen present voting in the affirmative therefor; to-wit, Aldermen R.P. Andrews, G.M.Braune, D.D.Carroll and J.M.Cheek; said resolution being as follows:

BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE TOWN OF CHAPEL HILL:

Whereas, there appears to have been some misunderstanding between the Officials of the Bank of Chapel Hill and their architect in regard to the decorative features of their new building front;

Whereas, if the building be set back so that the decorative features be on the building line, the main body of the building would be eight inches within said building line;

Whereas, it appears from an inspection of the plans that the general appearance of the building would be enhanced by allowing the decorative features to project as shown by the accompanying sketch;

Whereas, the Board of Aldermen recognizes the fact that they have no right to grant permission for a permanent encroachment on any street or sidewalk;

And whereas, any other Board of Aldermen in the future may require the removal of the encroachment;

THAT no objection is made by the present Board of Aldermen to the completion of the repairs to the Bank of Chapel Hill Building as specified in the accompanying sketch. Said specifications showing encroachments on the sidewalk of 6 inches by a decorative moulding at the base of the building, 8 inches by a decorative door pilaster, and 8½ inches by a door step.

The Board of Aldermen adjourned at 12:30 P.M.

W.S.Roberson, Mayor

E.M.Kuot Clerk.
