May 31 1929

There was a call meeting of the Board of Aldermen of the Town of Chapel Hill at 7:30 p. m., Mayor Council presiding, with the following Aldermen present, to-wit: Messrs. Rubanks, Hogan, Burch and Thompson. Mr. Sawyer, the Town Attorney, was also present.

Mr. C. H. Weaver was present and made a proposition to enclose the eleven acres owned by the Town of Chapel Hill, at the sewerage disposal plant, and put goats or cattle in this enclosure. He proposed that the Town allow him $50 for the cost of erecting the fence, and give him free pasturage. The fence to become the property of the town if Mr. Weaver should discontinue the use of the pasture. It was pointed out that the Town spent quite a sum of money each year keeping the underbrush cleared from this land.

Upon motion of Alderman Hogan, seconded by Alderman Burch, it was moved that the matter be referred to the Public Works Committee, with power to act.

Johnnie Johnson appeared before the Board in regard to the amount due by the negroes on the nurse's salary for 1928-29. The negroes agreed to pay $300 towards the nurse's salary for the fiscal year 1928-1929, but have paid only $149.00. Johnson agreed to raise this deficit if the Board would give them a little time to do it.

The Board agreed to give Johnson sometime to collect the back fund due on the nurse's salary, but instructed the Manager not to advance any money on the nurse's salary unless the current installment of $25.00 per month was paid by the negroes.
