MEETING OF THE BOARD OF ALDERMEN, TOWN OF CHAPEL HILL, N. C.

October 7, 1931. Book 6, Page 121.

There was a called meeting of the Board of Aldermen, Town of Chpel Hill, held at the Town Office at 8:00 P. M. October 7th, 1931. Mayor Protem Eubanks presided, and the following aldermen were present:- Messrs. Trimble, Burch, and Thompson.

The manager stated that the meeting had been called for the purpose of [illegible] the preliminary assessment scroll for the new street paving project, from Columbia to Mallett Street.

Total cost of job	$4752.70	
Assessible frontage	2226	feet
Non-assessible frontage,	154.	feet
Total Frontage	2280.	feet
Cost to each property owner,	2.00	per lineal foot.

(AMPHION AVE

Upon motion of Alderman Burch, seconded by Alderman Thompson, it was moved that the preliminary assessment scroll be approved and that a public hearing be held November 11th, at which time the final assessment scroll will be approved.

Mr. H. G. Baity, Engineer for the Sewage Disposal Plant, was unable to attend the meeting, but requested that the present chlorinating house be moved and reconstructed, Mr. Burch having made the estimate of the cost of this work to be not over $85.00, and probably less, as second hand pipe could be used. He agreed to have this work done at a cost of not over $85.00 and to give the Town the benefit of any favor. Upon motion of Alderman Trimble, seconded by Alderman Thompson, it was moved that the University Buildings department be instructed to re-construct and move the chlorinating house under the terms stated by Mr. Burch. All the aldermen present voting in the affirmative therefor.

Mr. Baity requested that the old weir box be removed and a terracotta pipe be installed in its place. He also recommended that the grit-screen chamber be reconstructed. It was pointed out that the Town could probably do this work cheaper than the contractor, therefore upon motion of Alderman Burch, seconded by Alderman Trimble, it was moved that the Town Manager proceed to have the grit chamber and weir box reconstructed according to the plans of Mr. Baity,- all the aldermen voting in the affirmative therefor.

The question of size and color for the 1932 town automobile plates was discussed. Upon motion of Alderman Trimble, seconded by Alderman Burch, it was moved that the tag be made in accordance with the small type of plate submitted, and that the color to be used be the same as that used by the State for 1932,- all the aldermen present voting in the affirmative therefor.

There being no further business, the meeting of the Board of Aldermen adjourned.

ZEB P. COUNCIL, MAYOR.

By J. A. Osborne Clerk.
