The regular meeting of the Board of Aldermen was held in the Town Hall at 8 o'clock P. M., March 25, 1936. Mayor J. M. Foushee presided and the following Aldermen were present: J. T. Dobbins, C. L. Eubanks, R. J. M. Hobbs, R. H. Wettach and M. E. Hogan. Town Attorney Sawyer was also present.

The following subjects were brought up and disposed of as indicated:

Minutes of the last regular meeting were read and approved.

Reports from the various departments were read.

Subject: Request for Sidewalk on Carr Street.

Mr. J. C. Lane, W. T. McGalliard and Homer Holloway came before the Board asking that the town grade down and build a sidewalk on Carr Street. The Mayor stated that Mr. Roy Homewood had agreed to move and deposit the dirt on Carr Street for 30¢ per cubic yard. It was found that no appropriation was made in the budget for any new projects, and on motion of Alderman Hobbs, which was seconded by Alderman Eubanks, the Board goes on record as being in sympathy with their desire for this improvement, but since the town had no money to carry through the project at this time, the Board would endeavor to make the desired improvement as soon as three more houses were constructed on Carr Street.

Subject: Dr. Edwin Robertson's bill for professional services to Raymond Nicks.

Alderman Eubanks stated that Dr. Hedgepeth, who had advised that Raymond Nicks be taken to Lincoln Hospital, had talked with him in regard to the bill that Dr. Robertson had sent the town. He stated that he did not feel that the bill was excessive and that Dr. Robertson was not willing to reduce the bill, further if the town did not feel justified in paying the bill of $ 25.00, he would be willing for them to cancel it. Motion was made by Alderman Hogan, seconded by Alderman Eubanks that the City Manager be authorized to pay the bill for $ 25.00, disbursing the funds from the contingent appropriation.

Subject: Fire Protection for Orange County Training School.

Alderman Hobbs stated that the Insurance Underwriters had stated if the town board would pass a resolution stating that the Orange County Training School was included in the City Limits that the insurance rate for the school would be reduced. On motion of Alderman Hobbs, seconded by Alderman Hogan it was decided that the Orange County Training School property be included in the City Limits of Chapel Hill.

If the City Manager is not satisfied with his decision, he has the opportunity to refer it back to the Board of Aldermen for their decision in the matter.

There being no further business, the meeting adjourned.
