Burch, R. J. M. Hobbs, C. L. Eubanks and M. E. Hogan. Also present were Town Accountant M. L. Thompson and Town Attorney, B. D. Sawyer.

Minutes of the last regular meeting and the called meeting held July 6, were read and approved.

The reports from the various departments were read and approved.

The City Manager read a letter from Mr. George Lawrence in which he was asking that the Board of Aldermen appropriate $50.00 per month for local relief needs, $50.00 per month for medical and hospital care and $30.00 per month for the continuation of the venereal disease clinic. Since there arose some misunderstanding as to the Health Department's financing the venereal disease clinic, the Mayor appointed Alderman Eubanks and Alderman Hogan to meet with Dr. Mangum and ascertain if the Health Department would make arrangements to continue the venereal disease clinic at their own expense. Also to confer with Mr. George Lawrence in regard to funds that have been appropriated by the different organizations in Chapel Hill, and learn just how much of such funds are spent outside of the City of Chapel Hill. Motion was made by Alderman Hobbs, seconded by Alderman Eubanks and approved by the Board that the town's representatives on the Movie Guild be requested to meet with the Movie Guild and ask for 25%, of the gross receipts of the Sunday Movies instead of the 15% as heretofore, to be used to help take care of the local relief situation.

Subject: Mrs. J. O. Bobbitt's Accident.

The Town Attorney read a letter from Thorp & Thorp, attorneys of Rocky Mount, N. C., stating that Mrs. Bobbitt from that city had asked that they present her claim against the town, arising out of a fall which resulted from her stepping in a hole on E. Franklin Street sidewalk. Her attorneys stated in the letter that they would make settlement for $5,000.00, provided settlement was made promptly and without

litigation. Motion was made by Alderman Hobbs, seconded by Alderman Hogan and approved by the Board that the Town would decline to pay the $5,000.00 and referred the matter to the Town Attorney for investigation and to learn all details in connection with the accident possible.

Subject: Garbage Collection Ordinance Requested.

Alderman Hobbs suggested that the Town Attorney be instructed to draw an ordinance embodying the suggestions from the last meeting of the Board as to the garbage collection. Also to specify the kind of container to be used, the size of the container, also to designate the place where all cans are to be placed for the garbage collectors. Further to require all people hauling garbage from the commercial houses, hotels, and boarding houses to be licensed to do that work.

Subject: Health Certificates for all food handlers.

Alderman Eubanks stated that Dr. W. P. Richardson from the Health Department had asked that the Board of Aldermen give him the authority to examine all food handlers and issue health certificates. Motion was made by Alderman Dobbins, seconded by Alderman Hogan and approved by the Board, that the Health Department be authorized to make all examinations and issue certificates for all food handlers.

Subject: Dog Taxes to be included in Tax Bills.

Alderman Dobbins made a motion, which was seconded by Alderman Hobbs and approved by the Board that the dog taxes be transferred to the tax bills, also to advertise notice in the paper of free dog tags for all dog owners in Chapel Hill, the above motion to take effect for the fiscal year 1936-37.
