He advanced reasons for the alleged necessity of this. The matter was considered by the Board, and on motion of Alderman R. J. M. Hobbs, seconded by Alderman M. L. Thompson, a resolution was passed that if Dr. Hooker cared to have a public meeting called, the citizens in that section of Chapel Hill would be notified of the public hearing to be held in regard to the matter so that the opinion of the people could be heard. Notices were to be placed in prominent locations and letters sent to those citizens most directly interested in that section of Chapel Hill.

The question of over-all garbage collection was discussed and it was decided that the cost of the same be included in the tax rate for the year 1936-37, as per previous plans and estimations.
