Subject: Use of court room by Unemployment Commission.

Mr. Caldwell brought to the attention of the Board a request by the Unemployment Bureau to use the court room or some appropriate office in the Town Hall once a week to interview unemployed people. It was stated that the University had heretofore been providing accomodations for this work, but now due to lack of space, they have asked the Unemployment Service to secure office space elsewhere. After some discussion on the matter, the Board of Aldermen, upon motion by Alderman Hellen and seconded by Alderman Maury, voted to leave the decision up to the City Manager who shall, in his discretion, provide accomodations for the service.

There being no further business, the meeting adjourned.
