MINUTES OF CALLED MEETING OF BOARD OF ALDERMEN HELD ON FRIDAY, MARCH 8, 1940, IN TOWN HALL

Book 6, Page 847

The Board of Aldermen, pursuant to the preceeding call of the Mayor, met in special session in the Town Hall on Friday evening, March 8, 1940, at 4:30 P.M. Mayor Foushee presided and the following aldermen were present: Messrs. R. W. Madry, F. O. Bowman, G. B. Hellen, P. H. Robertson, R. J. M. Hobbs and P. L. Burch. Also present was J. L. Caldwell, City Manager.

After a lengthy discussion concerning different problems facing the Town Government, the Board of Aldermen discussed three proposals by the University for the construction of a rock wall to the east of Dormitory #3 on Battle Lane. Parking areas were considered along with the width of the street. The proposals were presented by Mr. Burch who stated the University felt that since Battle Lane was a Town street that the Town should have something to say in regard to the placing of the rock wall.

The Board of Aldermen accepted proposal #3 which provided that the rock wall should begin in line with Mr. T. F. Hickerson's wall and continue by Dormitory #3 with the view in mind of permitting parking on the east side of the Dormitory and at the same time leaving the street wide enough for cars to pass without causing traffic to be congested. At the south end of the Dormitory a set back in the wall will allow for additional parking. The Board asks that where the street intersects with the east end of Cameron Ave. the street be made as wide as possible in order to eliminate a dangerous bottle-neck.

There being no further business the meeting adjourned.
