MINUTES OF THE SPECIAL MEETING OF THE BOARD OF ALDERMEN HELD IN THE TOWN HALL ON MARCH 28, 1942.

Book 6, Page 1008

The Board of Aldermen held a special meeting in the Town Hall on March 28, 1942, with Mayor Foushee presiding and the following Aldermen present: Messrs. F.O. Bowman, P.L. Burch, G.O. Davis and H.J.M. Hobbs. Also present were J.L. Caldwell and Dr. H.G. Baity.

Subject: Report of Town Planning Board Regarding New Smith-Prevost Building on North Columbia Street.

Dr. Baity of the Town Planning Board appeared before the Board and presented an architectural drawing by Mr. Archie Davis of the proposed building construction of the block on North Columbia Street, with particular attention to the proposed building of Smith-Prevost. He presented the recommendation of the Planning Board that Smith-Prevost be allowed to construct the building as represented in the drawing as to general architectural design and structure.

Mr. Carl M. Smith also appeared before the Board and said that the additional cost of construction according to the proposed plan was not justified in the light of present conditions. He asked the Board to allow him to construct the building according to the general plan with certain exceptions.

Upon the motion of Alderman Hobbs and seconded by Alderman Bowman the Board voted to adopt the recommendation of the Town Planning Board that "Smith-Prevost be granted a permit to erect a building according to architect's sketch made by Archie Davis, with the front of the building and the South side for a distance of 20 feet from the front of the building faced with Williamsburg hand-made brick similar to those being used on the front of the new theatre building."

There being no further business, the meeting adjourned.

A. D. Byrd
Town Clerk
