The Board of Aldermen held a special meeting in the Town Hall on April 17, 1942, with Mayor Foushee presiding and the following Aldermen present: Messrs. F.O. Bowman, R.B. Fitch, R.W. Mabry, and R.J.M. Hobbs.

Subject: Negro Community Center

A question arose as to whether or not to allow the Navy to take over and complete the Negro Community Center now under construction. After some discussion, Alderman Bowman moved that the matter be referred to the Recreation Commission with instructions to act, with the understanding that such a proposal would be favorable to the Board if the Naval organization would assume the present indebtedness of $2000.00 against the building and would agree to complete the building and provide for its upkeep and maintenance so long as it remains in the hands of the Navy, and further providing that the building shall be returned to the Town in good order at the end of the present national emergency. This motion was seconded by Alderman Hobbs and passed by the Board.

There being no further business the meeting adjourned.
