MINUTES OF THE SPECIAL MEETING OF THE BOARD OF ALDERMEN HELD IN THE TOWN HALL ON MAY 25, 1942.

Book 6, Page 1019

The Board of Aldermen held a special meeting in the Town Hall on May 25, 1942, with Mayor Foushee presiding and the following Aldermen present: Messrs. P.L. Burch, G.C. Davis, R.B. Fitch, F.O. Bowman, R.W. Madry, and R.J.M. Hobbs. Also present were J.L. Caldwell and C.P. Hinshaw.

Subject: Mallett Street Cooperative Group.

Members of the Student Cooperative Group on Mallett Street appeared before the Board and requested by petition that they be allowed to remain in their present residence for another year, such to be made possible by an extension of a previous agreement with the Board. Several students and interested town residents appeared before the Board and argued both for and against such an extension of time. After considerable discussion, the Board decided not to take any official action on the matter.

Subject: Complaint by Grady Pritchard.

Mr. Grady Pritchard appeared before the Board and stated that he had made a verbal agreement with the town authorities several years ago to allow the Town to place a sewer pumping station on property of his father's estate. He stated that he had agreed to allow the station to be built to aid in alleviating an acute situation as regards sewerage disposal for that section of town and with the understanding that the station would not be undesirable in any manner. He made a formal complaint to the Board of the health hazard, odors, and unsightliness of said station. After some discussion, the matter was referred to the Health Committee with the suggestion that the complaint be investigated and a report made to the Board.

There being no further business, the meeting adjourned.
