MINUTES OF SPECIAL MEETING
BOARD OF ALDERMEN TOWN OF CHAPEL HILL
MAY 2, 1946 5:00 P. M.

BOOK 7 PAGE 251

Mayor Madry presided over the meeting with the following members present: Aldermen Hobbs, Burch and Lanier. Mr. Hinson, Mr. Peacock and Mr. Rose were also present.

The purpose of the meeting was to discuss the bids received on the construction of the sewer line in the Noble Heights Section. The lowest bid of $2,584.48 was submitted by Wm. Muirhead Construction Company of Durham, and Alderman Hobbs made a motion that this bid be accepted by the Town and that they enter into contract for the construction of the sewer line. Seconded by Alderman Burch and all members present voted to accept the bid. Alderman Fitch was unable to attend the meeting, but had asked Mr. Hinson to vote "yes" for him.

Mr. Hinson reported that the University wanted to borrow one of the Town's sewer pumps. He stated that one of the pumps needed repairing and the University had agreed to repair it if the Town would permit them to use it. It was decided that the Town would lend the University the pump until such time as it was needed by the Town, upon the condition that they have the pump repaired.

The meeting adjourned.
