MINUTES OF REGULAR MEETING
BOARD OF ALDERMEN
MAY 8, 1946

BOOK 7 PAGE 252

In the absence of Mayor Madry, Aldermen Hobbs presided over the meeting and the following members of the Board were present: Aldermen Burch, Lanier, Strowd and Fitch.

Dr. Garvin and Mr. L. L. Fitzrow, Sanitarian Engineer for the Health Department were also present. Dr. Garvin stated that the Health Department was asking all communities to substantially raise their annual contributions for the coming year. He stated that a part time laboratory technician would be needed because of the increased work involved with the new dairy plant. The Board asked that Dr. Garvin submit a report of his budget to them before any action was taken on this matter.

Dr. Garvin reported that the garbage was not being collected from the Franklin Street stores often enough and asked that steps be taken to insure regular pickup.

Mr. Hinson reported that he had obtained trash cans for Franklin Street and that they would be delivered within sixty days.

With reference to the paving of sidewalks in Gimghoul, Mr. Hinson stated that 51% of the property owners and a majority of [redacted]'s on each block must submit their petition to the Board of Aldermen.

Aldermen Hobbs stated that the University was working on the walk between Bingham Hall and the Tin Can and would run a test block of paving on the walk across the parking lot.

Mr. Hinson stated that Mr. Glass of the Employment Office was in to discuss the removal of the local office and stated that they could not find suitable quarters in which to move. There was much discussion as to what should be done, but no further action was taken at this time.

The meeting adjourned.
