

THE CHAPEL HILL SCHOOLS  
CHAPEL HILL, N. C.

June 13, 1950

Board of Aldermen  
Chapel Hill, N.C.

Dear Sirs:

I wish to make the following suggestion concerning the parking of cars in front of the school: that the two-hour parking limit in front of the school be discontinued until such time when it is needed.

Ever since the two-hour parking limit was started, I have looked daily out of my office window at all the empty parking places in front of the school. It created quite a problem to park about 25 teachers' cars on an already limited space on the schoolground. Every additional car that came up the school driveway was an added danger to the lives of the school children. If there is a need of two-hour parking in October as some think there will be, then the restriction could be put on again at that time.

When the construction of the new high school building starts, teachers can no longer park on the area of the schoolground where they have been parking. What to do with teachers' cars in September will be a real problem and we need your help.

The following returning teachers expect to drive cars to school:

Elementary Teachers

Mrs. Buckner  
Mrs. Davis  
Mrs. Ellis  
Mr. Henderson (part-time)  
Mrs. Kellam  
Mrs. McCall  
Miss Mooneyhan  
Miss Oettinger  
Mrs. Plemmons  
Miss Seawell  
Mrs. Weaver

High School Teachers

Mr. Davis  
Mr. Flowers  
Mr. Grice  
Miss J. Lewis  
Miss M. Lewis  
Miss Marshbanks  
Mrs. Myers  
Mrs. Miller  
Mrs. Peacock  
Mr. Sizemore  
Mrs. Sullivan

The above list does not include any new teachers who may have cars.

Any consideration you will show the teachers in the matter of parking cars will be greatly appreciated.

Respectfully yours,

*Mildred Mooneyhan*

Honorable C. P. Hinshaw  
Town Attorney

Dear Mr. Hinshaw:

I acknowledge receipt of your letter in which you state that a citizen of Chapel Hill was, some time ago, convicted of the offense of receiving stolen goods of a value of more than \$300, that he has applied to your municipality for a beer license, and that you have advised the Board that the applicant is not qualified to receive a license.

I think that as to whether or not the offense for which the applicant was convicted is a felony or a misdemeanor, depends upon the punishment imposed upon him. However, you will observe that G. S. 18-77 not only disqualifies a person who has committed a felony but also those who have committed crimes involving moral turpitude. I do not think there is any question but what receiving stolen goods is a crime involving moral turpitude and I agree with you that the applicant has not met the qualifications laid down by the statute.

Yours very truly,

Honorable Thomas D. Rose  
Town Manager  
Chapel Hill, North Carolina

Dear Mr. Rose:

I understand that you are giving some consideration to filling the position of Mr. Moody Durham as Clerk of the Recorders Court and that you have before you the name of Mrs. Musella W. Wagner.

Mrs. Wagner has been Deputy Clerk of the Recorders Court of Durham County for approximately eight years. She is Chief Deputy and has charge of much of the record work for the Court.

I can recommend Mrs. Wagner without reservation. She is thoroughly lady-like; her judgment is sound; she is polite, and courteous to people; makes a good appearance; she is capable of making up her mind and taking a firm position without being dogmatic or opinionated.

Her work is neat and while I am not thoroughly familiar with the system in Chapel Hill, I do know that if you would be interested in having the services of one who has had part in working a thoroughly adequate system of filing and handling Court records, Mrs. Wagner can do the job for you. Her familiarity with the Recorders Court work such as posting records, posting bonds, etc. have given her a good insight into what has to go on by way of record work for a Criminal Court.

She has handled large sums of money and has kept all of her records in such way that I have never heard any question of any mistake having been raised in her work. I do not hesitate to say that I think she would make you an excellent Deputy.

Respectfully yours,

*Victor S. Bryant*

Mr. Burch moved that the City Manager have the signs changed at the intersection of East Rosemary Street and North Boundary, in line with the other signs on East Rosemary. Seconded by Mr. Putnam and unanimously passed.

Mr. Lanier introduced Mr. Leigh Wilson of the North Carolina League of Municipalities. He was consulted during the discussion, led by Mr. Lanier, of the report concerning the extension of the town limits. Several changes were made in the report before it was finally approved. A copy of the Report Concerning the Extension of the Town Limits of Chapel Hill, N. C., June 26, 1950, as approved by the Board of Aldermen, is attached hereto as a part of the official minutes of this meeting.
