(Councilmember Smith would fill the term expiring December 1982 and Councilmember Pasquini would fill the term expiring December 1983.)

Drive-in Businesses

Elimination of Drive-in Business Policy in Comprehensive Plan. Mayor Nassif stated that Council had considered a policy for drive-in windows for six months, but had seemingly favored drive-in windows for financial institutions and not favored drive-in windows for non-financial institutions. Because of this, he requested that Council consider the elimination of their present policy and return to the Special Use application so that equal consideration could be given to all applications. Councilmembers Kawalec and Howes concurred.

COUNCILMEMBER KAWALEC MOVED THAT DRIVE-IN BUSINESS POLICY BE REMOVED FROM THE COMPREHENSIVE PLAN'S GOALS AND OBJECTIVES. COUNCILMEMBER BOULTON SECONDED THE MOTION.

Councilmember Straley felt that to remove this language from the Comprehensive Plan's Goals and Objectives would be deleting a policy of people-oriented town traffic. Mayor Nassif did not agree, as Special Use Permits would provide proper latitude necessary for approval or denial.

COUNCILMEMBER STRALEY MOVED TO TABLE THE MOTION. THE MOTION FAILED FOR LACK OF A SECOND.

Mr. Roscoe Reeve, Chairman of the Planning Board, stated that he concurred with statements made regarding past applications of the present policy as outlined in the Comprehensive Plan. He felt that Special Use Permits would provide sufficient guidelines for decisions, in that discussions were encouraged, findings would be made, and potential problems would be considered, producing consistency in the application process.

THE MOTION CARRIED 8 TO 1 WITH COUNCILMEMBERS BOULTON, BROADFOOT, HOWES, KAWALEC, PASQUINI, SMITH, WALLACE, AND MAYOR NASSIF SUPPORTING, AND COUNCILMEMBER STRALEY OPPOSING.

Reconsideration of Resolution 81-R-167b (denying a modification of the Special Use Permit for Wendy's Restaurant). Mr. Doug Hargrave, representing Wendy's Restaurant, requested that Council reconsider the former denial of the Special Use Permit for Wendy's Restaurant, and grant the Special Use Permit at this meeting. He felt that the previous denial showed a disparity of treatment between the Village Bank and Wendy's Restaurant.

COUNCILMEMBER KAWALEC MOVED, SECONDED BY COUNCILMEMBER SMITH, TO RECONSIDER THE RESOLUTION DENYING THE MODIFICATION OF THE SPECIAL USE PERMIT FOR WENDY'S RESTAURANT (81R-167b) AND TO REFER THE REQUEST TO THE PLANNING BOARD AND MANAGER FOR PROCESSING AND A PUBLIC HEARING.

Councilmember Wallace felt that the motion should only be to consider the denial. A second motion should be made to direct a course of action. Councilmembers Howes and Straley concurred.

Mr. Denny stated that a combined motion would outline the complete process and did not necessarily imply that the complete process had to be taken care of in one motion; the complete process would, however, have to be taken care of before the item could be disposed of, as outlined in Council's Rules of Procedure.

Councilmember Kawalec stated that she was aware that the applicant wished for Council to dispose of the matter at this meeting, asserting that there was new information on this subject. However, this new information could not be considered by Council as it had not been a part of the previous public hearing. Councilmember Straley felt that Council should deal with this issue on the basis of information presented at the previous public hearing, and deal with future issues under the changed policy.

Mr. Denny did not object to two motions, as long as the second motion was to refer to the Manager and Planning Board for the scheduling of a public hearing.

In response to a question from Councilmember Boulton, Mr. Denny did not feel that prior complete discussion regarding the reason for denial (because of the existence of this policy) was sufficient reason to negate the need for a second public hearing. In response to further questioning from Councilmember Wallace, Mr. Denny stated that any reconsideration of prior action would require a second public hearing.

Mr. Secrist suggested that the public hearing be scheduled for January 18, 1982. Councilmember Wallace concurred with Mr. Denny's analysis and supported Councilmember Kawalec's motion.

THE MOTION CARRIED UNANIMOUSLY.

COUNCILMEMBER KAWALEC MOVED THAT A PUBLIC HEARING BE SET FOR THIS ISSUE ON JANUARY 18, 1982. COUNCILMEMBER WALLACE SECONDED THE MOTION.

THE MOTION CARRIED UNANIMOUSLY.

Resolution Authorizing the Town Clerk to Release the Construction Letter of Credit for the Cable TV System

Mr. Secrist presented background information: a \$200,000 letter of credit to "guarantee timely construction and full activation of the Cable TV system" had been provided by Village Cable. As the company had "satisfactorily completed and fully activated the cable system pursuant to the terms of the franchise agreement," Management recommended that the \$200,000 letter of credit be released.

COUNCILMEMBER KAWALEC MOVED, SECONDED BY COUNCILMEMBER WALLACE, TO APPROVE THE FOLLOWING RESOLUTION:

A RESOLUTION AUTHORIZING THE TOWN CLERK TO RELEASE THE CONSTRUCTION LETTER OF CREDIT FOR THE CABLE TV SYSTEM (81-R-216)

WHEREAS, the Council of the Town of Chapel Hill finds that Village Cable has satisfactorily completed and fully activated the Cable system pursuant to the terms of the franchise agreement;

NOW, THEREFORE, BE IT RESOLVED by the Council of the Town of Chapel Hill that the Council hereby authorizes the Town Clerk, David B. Roberts, to release the letter of credit deposited with the Town Clerk to guarantee timely completion and activation of the Cable TV system.

This the 14th day of December, 1981.

Councilmember Smith requested that a letter be sent from the Mayor's office commending the local Cable TV system for their completion and activation of this system prior to the deadline.

THE MOTION CARRIED UNANIMOUSLY.

Reports

Revaluation of the Comprehensive Plan and Zoning Ordinance. Mr. Roscoe Reeve, Chairman of the Planning Board, stated that the Planning Board wished to initiate Council's prior instructions to review the Zoning Ordinance and the Comprehensive Plan. The review would be mostly independent of staff commitment and would involve citizen input and professional assistance from the University of North Carolina School of City and Regional Planning.

Councilmember Smith expressed concern as to whether the Zoning Ordinance had been around long enough to determine its workability and wondered if the timing were appropriate for such an exhaustive study. He also expressed concern regarding the amount of staff time that might be taken away from the Thoroughfare Plan work, as he did not wish to see this work delayed. Mr. Reeve responded that the work in this phase of the revaluation would be done predominantly by the graduate class at UNC.

Mayor Nassif did not wish to have a review if it meant another extensive revision of the current Zoning Ordinance. Councilmember Howes, however, felt that such a study would be an invaluable exercise; it did not seem to represent a diversion from the ongoing responsibilities of the Planning Board to provide advice to the Council.

COUNCILMEMBER HOWES MOVED, SECONDED BY COUNCILMEMBER BOULTON, THAT COUNCIL SUPPORT THE PLANNING BOARD IN THEIR EFFORTS TO REVIEW THE COMPREHENSIVE PLAN AND THE ZONING ORDINANCE.

THE MOTION CARRIED UNANIMOUSLY.

Retired Senior Volunteer Program (RSVP). Mr. Secrist stated that Council had agreed to relinquish its sponsorship of the RSVP to Orange County on January 1, 1982. Management had been notified by ACTION officials in Washington that there had been certain changes in the handling of grants, and a change in sponsorship for RSVP would require the awarding of a new grant.

As it was not feasible that such funding could be initiated and approved by January 1, 1982, it was recommended that the Town continue to house the RSVP program for the remainder of the fiscal year and to begin work with Orange County officials to develop a grant for the new fiscal year so that a smooth change could take place in July 1982. This would have no budgetary impact.

Councilmember Broadfoot asserted that this should not preclude allocation of funds in the upcoming budget.

Mayor Nassif instructed Mr. Secrist to proceed with plans to continue support of RSVP until June 1982, and to begin necessary steps with Orange County for grant application to effect a smooth changeover of sponsorship for the new fiscal year.

Resolution Accepting a Gift of Land for Tax Purposes

This item had been deferred until after the Executive Session scheduled to follow this meeting.

Councilmember Howes requested to remove Consent Agenda Item "a" (reduction in parking required for the Church Street Public Housing Units for elderly and handicapped persons) and Consent Agenda Item "b" (contract for purchase of fire truck for Fire Station North near Weaver Dairy Road).

COUNCILMEMBER BOULTON MOVED, SECONDED BY COUNCILMEMBER KAWALEC TO ADOPT THE FOLLOWING RESOLUTION:

Resolution Allowing a Reduction in Required Parking for the Church Street Public Housing

In response to a question from Councilmember Howes, Mr. Mike Jennings, Director of the Planning Department, explained that one of the stipulations in the approval of the project had been that should parking be reduced in the future, it would not require a modification of the Special Use Permit. An amendment to the Zoning Ordinance allowed Council to approve a reduction of the parking ratio of up to two parking places per dwelling unit for elderly and handicapped housing projects. The Housing Authority had assessed the parking needs of this project and had suggested a parking ratio of one space per unit.

COUNCILMEMBER HOWES MOVED, SECONDED BY COUNCILMEMBER KAWALEC, TO ADOPT THE FOLLOWING RESOLUTION:

A RESOLUTION ALLOWING A REDUCTION IN REQUIRED PARKING FOR THE CHURCH STREET PUBLIC HOUSING (81-R-219)

BE IT RESOLVED by the Council of the Town of Chapel Hill that the Council hereby finds that:

1. The Chapel Hill Housing Authority has provided reasonable assurances that the Church Street Public Housing Planned Development will be maintained for occupancy by the elderly and handicapped; and
2. Sufficient livability space exists on the property to ensure that should the units be converted to another form of occupancy that sufficient parking can be provided on the site to satisfy the parking requirements of the new use without violating the land use intensities of the Zoning Ordinance.

BE IT FURTHER RESOLVED that the Council hereby grants a reduction in the required parking for this project to one parking space per unit.

This the 14th day of December, 1981.

THE MOTION CARRIED UNANIMOUSLY.

Resolution Accepting Bids and Awarding a Contract for One (1) Custom Motor Fire Apparatus, 1250 GPM Pumping Engine

Mr. Secrist reviewed the background: on September 8, 1980, Council awarded a contract for a fire engine to Seagrave's Fire Apparatus, Inc. The cost was \$112,832. One year later, management was notified that Seagrave's Fire Apparatus, Inc. had filed for bankruptcy and would not be able to supply such equipment without an increase of approximately \$5,000. Seagraves, Inc. was advised that such renegotiating was prohibited by law.

The decision was reached to readvertise for bids, using original specifications and a new delivery date.

COUNCILMEMBER HOWES MOVED, SECONDED BY COUNCILMEMBER STRALEY, TO ADOPT THE FOLLOWING RESOLUTION:

A RESOLUTION ACCEPTING BIDS AND AWARDING A CONTRACT FOR ONE (1) CUSTOM MOTOR FIRE APPARATUS, 1250 GPM PUMPING ENGINE (81-R-220)

WHEREAS, the Town of Chapel Hill has solicited formal bids on November 2, 1981 and the following bids have been received:
